DETAILED ACTION

Election/Restrictions

1. Applicant's election with traverse of Group I, claim 1 invention in Paper filed Dec. 29, 2003 is acknowledged. The traversal is on the ground(s) that U. S. Pat. 6874292 was a necessity of claim 3. This is not found persuasive because the arguments have nothing to do with this application. The requirement is still deemed proper and is therefore made FINAL.
2. This application is in condition for allowance except for the presence of claims 3-4 to an invention non-elected with traverse in Paper No. filed 12/29/2003. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

3. Claim 1 is allowed.

Conclusion

4. This application is in condition for allowance except for the following formal matters:
See above paragraphs 1-2.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **ONE MONTHS** from the mailing date of this letter.
